Sexual Misconduct

IU Kokomo does not tolerate acts of sexual misconduct, including sexual violence.

If you have experienced sexual violence, or know someone who has, the University can help. It is important to understand that federal regulations and University policy require faculty to immediately report complaints of sexual misconduct known to them to the IU Kokomo Deputy Title IX Coordinator to ensure that appropriate measures are taken and resources are made available. IU Kokomo will work with you to protect your privacy by sharing information with only those that have a legitimate administrative or legal reason to know.

If you are seeking help and would like to speak to someone confidentially, you can make an appointment with a Mental Health Counselor on campus through the Counseling and Psychological Services (CAPS).
